

## How to sign your dog up for trail or exhibition

In Norway, all registrations are done through the [Norwegian Kennel Club](#) websites.

Everyone, both Norwegian and foreign participants can use "my site" at [www.nkk.no](http://www.nkk.no). The service is free of charge, and only requires you to set up a user account. All you need to set up your account is an email address.

New foreign users must first register as a new user.

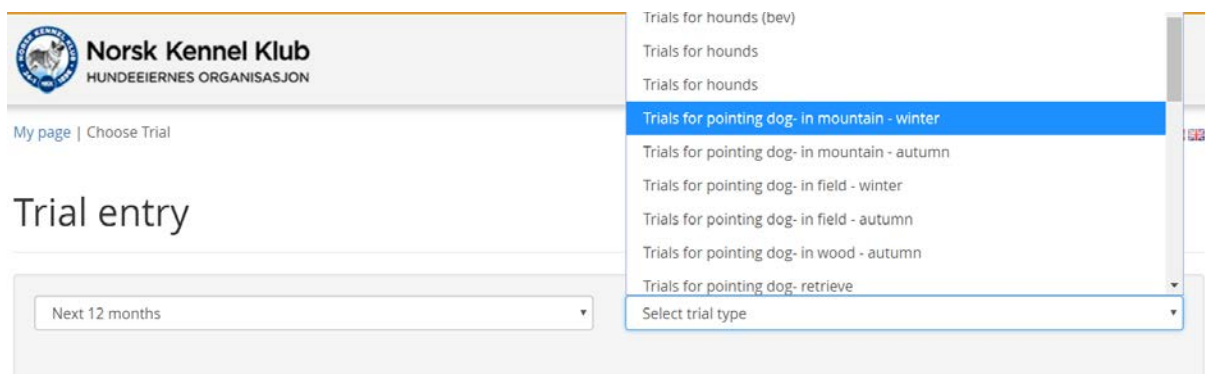

After registration is done, you can [login](#) with this user.

Select "Entries" in the menu, and then select Enter show/obedience/agility, Enter trail, or Enter course/seminar.
